

CV Attachment #2 – Self-educational course passed by the end of 2016th

Some stuff listed on the following 3 pages was read somewhat later in fact, but it does not matter, because the main ideas/materials were explored by the end of 2016th.

Sociology, anthropology, ethnography

All literature explored in social fields covers the topic of parenting and family relationships in different cultures around the world. Firstly, I started to read the popular literature for personal purposes, but considering my previous life experience, my self-studies in these fields jumped on the professional level quickly.

Scientific literature and articles:

- “Childlessness in Europe: Contexts, Causes, and Consequences” by Michaela Kreyenfeld and Dirk Konietzka;
- "Families Across Cultures: A 30-Nation Psychological Study" by James Georgas, John W. Berry, et al;
